- The Census 2000 for the provision of demographic data
- The California Department of Aging (CDA) for the provision of demographic data
- The Center for Economic Development, California State University, Chico for the provision of the enclosed maps, the economic and demographic data, and the needs assessment survey results
- The PSA2AAA Information and Assistance service providers for their counsel and participation in gathering the data for the need assessment surveys
- The PSA2AAA Advisory Council members for their efforts in conducting the Needs Assessment survey
- The Older Adults Policy Committee (OAPC) members for their support in the Baby Boomers planning phase
- The general public for their participation and comments in the Needs Assessment
- Kevin Lahey for allowing us the use of his photo for the cover page
- Judith Pavlik Photography for providing the Executive Director's portrait

It is with great pride that our communities have cared so deeply and have become involved in the creation of our four-year Area Plan.

Thank you for your dedication.
