All of the items below must be discussed at each planning cycle's Public Hearings

1. Discuss outreach efforts used in seeking input into the Area Plan from institutionalized, homebound, and/or disabled older individuals. All Needs Assessments conducted were specifically performed to include individuals from institutionalizations and which were homebound and disabled.
2. Proposed expenditures for Program Development (PD) and Coordination (C) must be discussed at a public hearing. Did the AAA discuss PD and C activities at a public hearing?
 Yes Not Applicable (check only if PD and C funding is not being used)
 No

If No, Explain:

3. Summarize the comments received concerning proposed expenditures for PD and C, if applicable. Specific comments regarding the PD and C were all positive and supportive of the objectives as defined.
4. Were all interested parties in the PSA notified of the public hearing and provided the opportunity to testify regarding setting of minimum percentages of Title III B program funds to meet the adequate proportion funding for Priority Services? (*See Appendix V*)
 Yes
 No

If No, Explain:

5. Summarize the comments received concerning minimum percentages of Title III B funds to meet the adequate proportion funding for priority services. (*See Appendix V*)
 There were no specific comments received regarding the Adequate Proportion Funding portion of the public hearing.
6. Summarize other major issues discussed or raised at the public hearings.
 There were no major issues discussed at the public hearings.

¹⁷ A Translator is not required unless the AAA determines that a significant number of attendees require translation services.

¹⁸ AAAs are encouraged to include individuals in LTC facilities in the planning process, but hearings are not required to be held in facilities.

7. List major changes in the Area Plan resulting from input by attendees at the hearings. As there were no major issues discussed at the public hearings, there were no major changes incorporated into the Area Plan.
